

**I'm Karen Canino, itinerant reading specialist, and I'm running for Recording Secretary.**

**As one of the volunteers on the Labor Management Committee, I speak for all member issues that affect us on all campuses. When I first moved to Somers I served as the Webmaster for the SEPTA (the special education PTA) for two years. I have completed my first year of three serving on my condo management board.**

**I pride myself on keeping accurate records and organizing data. If elected I promise to contribute ideas to the executive board, respectfully represent members, and communicate in a timely manner.**
