

## **Adrian Drezga**

Hi I am Adrian Drezga. Boces has been my home as an employee for almost 12 years now. I have worked in many locations and with many of you. As many of you know I have a deep connection with Boces and their employees for most of my life. I have grown as a person and educator while at Boces, thanks to all of you, and as your (hopeful) new Corresponding Secretary I want to continue growing and serving our members. My hope is to serve our union to the best of my ability and provide all of the members an open avenue of collaboration and access to information that is beneficial for us all.

Thank you all! It has and will always be a privilege to work with such professionals.
